

Part Number PL259-RA-CL213

SPECIFICATIONS

- Hex Nut for superior tensioning
- Gold Plated Centre Pin
- Tri Metal Plated Body (Superior Conduction with no Tarnishing)
- Teflon Dielectric preventing heat distortion from soldering
- ROHS Compliant
- Impedance 50 Ohms
- Centre Conductor access via removeable screw cap
- High Solderability Centre Conductor attachment
- Rugged Clamp Retention for outer cable shield
- Suits RG213, RG214
- High Quality Machined Body
