

---

**Part Number PL259-S-CR213**

---

**SPECIFICATIONS**

- Hex Nut for superior tensioning
- Gold Plated Centre Pin
- Tri Metal Plated Body ( Superior Conduction with no Tarnishing )
- Teflon Dielectric preventing heat distortion from soldering
- ROHS Compliant
- Impedance 50 Ohms
- High Solderability Centre Conductor attachment
- Rugged Crimp Retention for outer cable shield
- Suits RG213, RG214
- High Quality Machined Body
